Sir, Permission has already been given for the journal being ~~now~~ edited, printed and published in the Mysore State. Therefore no fresh permission is necessary ~~thereof~~ on this account. About converting the monthly into a quarterly, the Regn does not ~~refer to the~~ require fresh permission every time the ~~journal is~~ ~~chan~~ the period of issue of the parts of the journal or paper ~~is~~ changed so long as the nature of the journal or paper is kept the same. Kolar, 28th April 1915.

Most Honoured Sir,

With the intention of printing and publishing my journal, the 'Vikata Prabapa, a Kanarese Comical monthly at Kolar I came over here from Kuppadur and opened a printing press named Town Press. As I was ill and getting job works from the people of this place, I was unable to print and publish the journal here up to time. In the meantime the Postmaster-general, Madras cancelled the registration of my journal because I did not post the journal at the Kolar Post office up to time. Hence the postal authorities cannot accept my journal at concession rate. I am sure of getting job works from the merchants, and others of this place. Under these reasons I desire to print and publish my journal once in every three months and therefore requ your honor to kindly permit me to make my pap a Quarterly journal and inform me if I ha to declare again before the Magistrate as I have to change the time of printing, publishing and posting.

Town Press,
Kolar.

I beg to remain,
Most Honoured Sir,
Your most obedient Servant
P. R. Chakrapaniya
